Practice News!

- A warm welcome to our two new hygienists, Alexander Sevcsenko and Leanne Gale.
- Congratulations to Lauren Davidson and Clare Reynolds, two of our dental nurses who have just passed their written exams. Well Done!!
- We welcome Dr. Helen Green who joined us in April; she takes over the care of Dr. Kevin Gilmore's patients who will now be focusing on implant treatment. Dr. Green has 27 years of general practice experience and has a special interest in oral surgery and cosmetic dentistry.
- Congratulations to Dr. Rebecca Hamilton who will be getting married in June.

Why not try... Denplan

We want to help our patients budget for Dental care which is why we offer payment plans such as **Denplan Care** (a comprehensive payment plan) which helps you spread the cost of dental visits with a set monthly fee. Fees vary depending on the condition of your oral health following an initial assessment with one of our dentists. The reception team will be happy to help with any questions you may have.

During the months of May and June Denplan are offering free registration! This offers a substantial saving!

Implant Treatment

Our very own Dr. Kevin Gilmore is now offering an implant service to our patients. Dental implants are a fantastic permanent solution to missing teeth. Offering this treatment in house avoids patients feeling nervous about having to travel to an implant centre where the surroundings and staff are unfamiliar to them. Please ask at reception if you have any questions, and feel free take a information leaflets.
